

PX300
DESKTOP AUTHORIZING SYSTEM

**S300 Shadoaster™
Monitor Pair**

The S300 Desktop Monitor Pair brings Shadocaster phase clarity and room acoustics immunity to smaller desktops and location shooting venues.

**SB300 SoundBase
Desktop Bass Module**

The SoundBase 300 brings the bass linearity and extension of a sealed box acoustic alignment to the PX300 System. One is standard, stereo pair available.

**ADIO300 192/24 Multichannel
Interface & Routing System**

PX300 DESKTOP AUTHORING SYSTEM

- ***Patented Shadocaster™ System** produces stunning Phase and Frequency Linearity in almost any acoustic environment.
- ***Super Flexible Multi-Channel ADIO300** features a comprehensive Monitoring and Tracking System with 8 in and out at any DAW at up to 192/24.
